Student Pre-Course Survey:

1. Please indicate where you are living while taking this course.
2. If you are in another province or country, please indicate your local time zone (e.g., Pacific Daylight Time, Beijing Standard Time).
3. Do you have a reliable internet/wifi connection at home that is strong enough to stream videos and participate in synchronous online platforms (e.g. Zoom)?
4. What type of device will you mainly use to access your Avenue-to-Learn course(s)?
 - a. Laptop
 - b. Desktop
 - c. Mobile phone
 - d. iPad/tablet
 - e. I don't have regular access to any of the above devices
5. Do you have regular, personal access to a working laptop, desktop, or iPad/tablet that you can work on during the day?
 - a. Yes, I have my own laptop
 - b. Yes, I do, but I share with other people
 - c. No, I don't have regular access
6. Do you anticipate having any issues with accessing online course material, activities, and tests? Check all that apply.
 - a. Technology issues (e.g., hardware, software, webcam)
 - b. Internet access issues (e.g., yes, I have limits on internet or wireless data traffic)
 - c. Timing and personal availability issues
 - d. Accommodation and accessibility issues (e.g., auto-captioning of recorded lectures)
 - e. Other
7. If you anticipate having other issues with accessing online course material, activities, and tests, please specify here.
8. Do you have access to a quiet space where you can concentrate?
 - a. I have regular access
 - b. I have some access to a space that I can use for tests, exams
 - c. I have little access
 - d. I have no access to a quiet space
9. Are there any circumstances (other than technological) that may affect your ability to complete work in this and/or other Avenue-to-Learn courses?
10. What aspect of online learning do you think will be hardest to manage/handle? What concerns do you have about the remainder of this

course? (The more thoroughly you can explain, the better I may be able to address)

11. What are you hoping to get out of this course? Again, honest answers are the most helpful (i.e., just a credit, a good grade, to fulfill an elective requirement, etc. are all acceptable answers if that is why you enrolled in this class).
